The guide provides, in most cases, contact information along with a synopsis of the training and/or services that are available from each resource. The Training Resource Directory may be used in determining the type of disability training One-Stop Career Center staff need to ensure compliance with Section 188 of the Workforce Investment Act. Please click on the above link to access a Adobe PDF copy of the Training Resource Directory.

Also, a current list of Disability Program Navigators is now available on the WorkNet site at the following link:
